Re: Docket Nr. 99P-0033CP-1

Dear Commissioner Henney,

As a citizen concerned about our environment, our food and a humane way to raise animals I urge you today to act upon the petition, submitted by The Humane Farming Association (HFA) to put an end to the practice of feeding dead pigs, horses and other animals to other farm animals. Cows are not meat eaters by nature and should not be forced to eat dead animals.

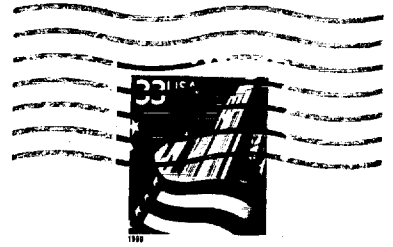

Thank you for your attention to this very serious matter.

Sincerely,

Christiane Pistor
